

STUDENTS equipped with
SKILLS for caring, welcoming and affirming
LIVED every day, everywhere, in every relationship
LOVING, because Christ first loved us

**We want your ministry to celebrate success
for developing caring student leaders.**

IS PML RIGHT FOR YOU?

We work with hundreds of youth and youth leaders every year!

- Most youth tell us, “**Yes**, I am in conversation with friends considering suicide!”
- They also say, “**Yes**,” about many other concerning issues.
- 100% of youth say, “***I want to know better how to help my friends.***”

We want youth’s faith to include **real life skills** for relationships that care, welcome and affirm every day, everywhere and in every relationship.

Are you ready to equip youth with **real skills for living the Good Samaritan Story?**

HOW DO WE GET STARTED?

Begin with a one-day **training** with a group of your adults and youth, often shared with other area churches. Training includes pre and post **mentoring** sessions with key leaders to ensure this training has traction! We won’t let your effort end up as another dusty manual on a shelf! Quality **resources** will keep you moving ahead.

WHO COMES?

Adults to both support and carry out future trainings.

Youth who will begin your trained leadership team and spread enthusiasm to others!

We turn those wonderfully quirky,
sometimes overly silly, rambunctious young people
into amazing student leaders
by educating the heart
with Peer Ministry Leadership skills.

“You shape, form and equip the future of our church. There isn’t, in my estimation, anything more important for our church today. The training of Peer Ministry Leadership is critical. The skills they learn gifts them with tools to live ministry and mission with their friends.”

– Senior Pastor Dwight,

“Peer Ministry Training helps youth to respond to the real needs of teens today. With the necessary skills learned in the training, these young people are finding ways to change the world in a positive way.”

– Bill Casey,
Archdiocese of St. Paul/
Minneapolis

"Becoming a Peer Minister has completely changed my life. I would have never thought I could be of so much use to people. Just knowing I am equipped to effectively minister to my peers is an amazing feeling. When people come to me who need help making a decision, I can put the decision making model to use. I follow the steps, and help the person make the choice that is best for them."
– Christa
(High School Student)

Participating in the training took the manual off page, and allowed me to understand how to put the training in action. In attending the training, I gained a confident vision of the content as well as how to bring it to life for our high school peer ministers.
